PRINCIPAL'S MESSAGE

Wales College Secondary School's vision is to "be the best high school in Canada," and we are committed to helping each and every student realize their full potential. Our students' academic aspirations become joint goals for our staff and students to work towards and achieve together. From the first day that a student enters our college, through to graduation, we are dedicated to each student's individual success.

be the best high school in Canada

Our teaching staff is in constant touch with leading universities to be certain that the university entrance standards can be met and surpassed by Wales College students. Our guidance staff works with our students to ensure that they take the most appropriate University Preparation Courses, thereby enabling them to not only enter the university of their choice but also obtain entrance scholarships.

When our graduates leave Wales College S.S. to enter university, we remain in touch with them to offer encouragement and any assistance required as they continue on their academic journey. We believe that our role is not finished until our graduates complete their university program.

Sincerely,

Mr. Ryan Wilson
Principal, Wales College S.S.

OSSD - Best Education System in the world!
One of the

High Quality Education

One of the world's best high school education systems, bilingual in English and French, and recognized worldwide. Compared to A-level/AP/IB, OSSD is the only one that does not require an entrance exam to apply to university.

Top universities in the world

There are many prestigious universities in Canada, including the University of Toronto (ranked #18 in the world). Historically 100% of our graduates end up attending top universities, including University of Toronto and Ivy League universities in the United States.

The most welcoming country for international students to immigrate

Canada is a country of immigration and international students are welcome to immigrate to Canada. International students have far more opportunities to obtain permanent residence than other countries. After graduating from a Canadian university, international students can obtain a 3-year work permit to work, and then immigrate to Canada.

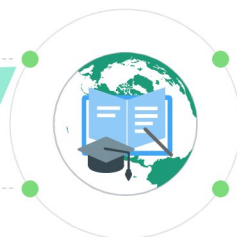

World-Recognized Ontario Secondary School Diploma (OSSD)

Wales College Secondary School is an Ontario Ministry of Education registered high school (BSID: 669384) and is given the authority to grant credits and Ontario Secondary School Diplomas (OSSD) to successful students.

OSSD is recognized by universities in Canada/US/UK/Australia/HK and other universities around the world.

OSSD World Top University Application Advantages

Apply for HK/Japan/Singapore Universities

OSSD is well-recognized by all universities in Asia. Graduates can apply directly without IELTS and other exams.

Apply for UK/Australia/New Zealand Universities

Canada belongs to the Commonwealth of Nations. OSSD is much more accepted than other education systems.

Apply for Canada Universities

OSSD graduates have unique advantages in applying to Canadian universities including the University of Toronto.

Apply for US Universities

The educational systems of Canada and the United States is mutually recognized. OSSD graduates is treated as American high school students when applying to top universities in the US.

Ontario Secondary School Diploma (OSSD) Requirements

Offering great opportunity and flexibility, the Province of Ontario has one of the most highly developed educational systems in North America. The OSSD is designed to equip students with the knowledge and skills they will need to lead satisfying and productive lives in the twenty-first century. The program prepares students for further education and work, and helps them to become independent, productive and responsible members of society. At present, students can choose credit courses from the Curriculum list on the right as prerequisites to be admitted to universities.

To receive an Ontario Secondary School Diploma (OSSD), students must complete 30 credits, 10-40 volunteer hours, and pass Ontario Literacy Test (OSSLT). Ontario high school credit course scores are determined by class participation, presentations, assignments, team projects, attendance, and examinations.
